Loara's Peer Court Is Now In Session!

Facing the consequences of their actions, four juvenile first-time non-violent misdemeanor offenders will appear in room 208 with their parents after school Thursday, January 14th for Loara's Orange County Peer Court hearing. Come to see what it's all about! Yes, this is a real court session with a real judge. You may be selected as part of the jury by the judge. Imagine yourself asking the offenders questions like, "Do you think your actions have hurt your family or how do you feel about what you did?"

You will then deliberate and hold the offenders accountable, by selecting appropriate sanctions. Come and see what it is all about this Thursday in room 208 until 5:00. This counts as community service.

Attendance will be kept for any teacher wanting to give credit

Boys Volleyball tryouts will be held on January 14th and January 19th in the small gym from 2:45 - 4:00. If you missed the meeting, please see coach Becker for necessary information.

TRACK & FIELD: It's not too late!! See Coach Holton in room 462 if you want to be a part of the team and missed the meeting, paperwork or ordering. Don't miss out on your personalized gear!

Attention 9th grade boys. If you're interested in wrestling next year it's not to late to join. See coach Stricker in room 32 or the wrestling room after school.
